Subject: Update on APO hiring status

Good Morning Commissioners.

I have received an email from Sue Major depicting her proposal and review for the Animal Protection Position and what she views as a stalled status. She is asking me to forward it on to my Willing Servants network. Before I accommodate her request, I thought I would ask you if you would be willing to provide an update on the status of hiring an Animal Protection Officer. My intention is to include it along with Sue's update in hopes of offering a "big picture" overview and maybe keep a few emails from your in box. Obviously, it's entirely up to you. I will wait until tomorrow to proceed in hopes of hearing from you.

Thank you for your consideration of this matter.

PS Just to offer a quick update on our status... We are still waiting for IRS approval on our non profit status. We have successfully rehomed 19 horses since Oct 2008, and provided emergency hay rations to 3 parties in an effort to keep them out of the judicial system. We have offered a low cost euthanasia clinic one time with no "takers" and our second effort is scheduled for Feb 26 and we have one horse in need confirmed.
